

ISO20400.org A global campaign to improve sustainable procurement around the world.

WWW.ISO20400.org is an interactive online platform created for organisations around the world to share knowledge and experience of sustainable procurement.

It features contributions including videos, case studies, blogs, E Learning, tools and guides and much more from international experts. We create engagement with organisations and leaders to promote the standard through social media and one to one interaction. In the near future we will be hosting webinars and have a self-evaluation tool online. Come and join us!

ISO 20400 Sustainable Procurement - launched in May 2017

ISO 20400 is the first international standard on sustainable procurement. We are grateful for the pro-bono support of experts and leaders around the world who make this initiative happen.
