

You can buy the standard ISO 20400 from

- **ISO:** <https://www.iso.org/store.html> , or
- **Your national standards body:**
<https://www.iso.org/members.html>

Follow these instructions for the National link above

1. Click the link to the ISO website on the PDF document provided
2. Scroll down the list to find your country
3. Click the link to go to your National Standards Body (NSB) page on the ISO site
4. Click through to their website
5. Search for ISO 20400
6. Some NSBs do not sell this standard. If they don't you can buy it from ISO or any other NSB
