

Webinar – ESG reporting

Thursday 7th May 2026 at 10.00-11.30 UK time

Live on YouTube – [Click here](#)

Hear from a range of expert speakers as they share their experience in meeting the challenges of ESG reporting across complex supply chains across the EU and beyond.

This webinar is delivered in partnership with [Planet Yes](#) and [FIRA](#)

Our speakers

Shaun McCarthy OBE

Shaun is a distinguished leader in sustainable business, recognised with an OBE for his services to sustainability and the London 2012 Olympics.

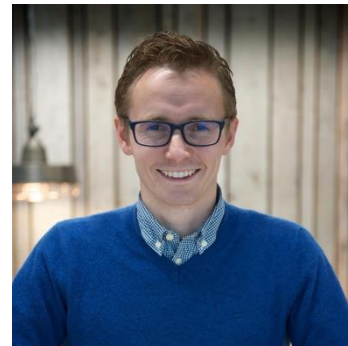

Lex De Bruijn

Over the past 30 years, Lex has been engaged as a business developer, focusing on Corporate Social Responsibility, Sustainable Procurement, and Third-Party Assurance.

Charles Naud

Charles Naud leads the [Sustainability Tool](#), making ESG reporting and sustainability measurement impactful for clients and their supply chains.

Joy Diekmeijer

Joy Diekmeijer works as a Sustainability Manager at Arbo Unie. Arbo Unie is a national occupational health and safety service in the Netherlands.

Jurgen Hoole

Jurgen Hoole is the Founder & CEO of Planet Yes, a consultancy firm that helps companies translate ESG requirements into practical programs, governance, data workflows, and reporting.
